2024-2025

School Year

Kindergarten

Grade Level

Name of Activity

Chinese Culture School-based Learning Activity Showcase

Objective(s)

- Promote Chinese culture and cultivate children's cultural awareness and cognitive abilities

Brief Descriptions:

This event aims to provide a deep understanding of the essence and characteristics of Chinese culture to young children through various rich and colorful Chinese cultural experiences. We will organize a series of engaging activities, including celebrations of traditional Chinese festivals, guidance on calligraphy and paper cutting, and appreciation of traditional Chinese music and dance. Through these activities, we hope to inspire children's interest in Chinese culture and foster their love and sense of identity towards Chinese traditional culture.

Record of Activity (E.g. Children's Work / Photos / Videos of the activity)

Children's Artwork: The children showcased their understanding and creativity of Chinese culture through handmade paper-cutting and drawings depicting traditional Chinese festivals.

Event Photos: We captured photos of the children participating in various activities, including scenes of them wearing exquisite traditional costumes, learning calligraphy, and dancing.

Audio-Visual Recordings: We recorded the children's performances of traditional Chinese dances and choruses during the event, allowing them to showcase their talents and passion for Chinese culture.
